

## 2008 FFCC Video Bid Form

The FFCC is comprised of over 120 competitive Colorguard & Percussion Units. Each year, we select a video production company to capture the performances of these units at our annual circuit championships.

This year, the FFCC circuit championships will be held in Kissimmee, Florida at the Silver Spurs Arena. We welcome bids from all companies for our championships event. These bids will be reviewed by our board of directors and selection will be made from a variety of criteria.
